

## **WGME annual report for 2007**

### **Symposia at the IGC-2008 (Oslo) proposed by the IMA WGME (Working Group on Mineral Equilibria).**

#### **Title of Symposium I: "Phase transformations and geodynamics"**

Conveners: Dr. Taras V.Gerya (ETH, Switzerland)

Prof. Leonid L.Perchuk (Moscow State University, Moscow, Russia)

#### **Title of Symposium II: "Fluids and melts in the Earth's mantle: from natural observation to HT-HP experiment"**

Conveners: Prof. Leonid L. Perchuk (Moscow State University, Moscow, Russia)

Dr. Oleg G. Safonov (Institute of Experimental Mineralogy, Chernogolovka, Russia).

**All the symposia are accepted by the organizing committee of the IGC.**

### **Symposia at the EGU-2008 (Vienna) proposed by the IMA WGME (Working Group on Mineral Equilibria).**

#### **Title of Symposium I: "Alkalic liquids under the Earth's mantle conditions"**

Conveners: Prof. Leonid L. Perchuk (Moscow State University, Moscow, Russia)

Dr. Oleg G. Safonov (Institute of Experimental Mineralogy, Chernogolovka, Russia).

#### **Title of Symposium II: "Metamorphic and magmatic trends in the subduction/collision zones"**

Conveners: Dr. Taras V.Gerya (ETH, Switzerland)

Prof. Leonid L.Perchuk (Moscow State University, Moscow, Russia)

**The symposia are just submitted. Information about their acceptance is expected in September.**
